This image shows step 22 of a LEGO assembly. The main view is a perspective of a grey Technic base with a grey border. A yellow 1x4 Technic beam is being placed on the base. A red outline highlights the area where the beam is being placed. An inset in the top left corner shows the parts required for this step: 2x grey 1x2 Technic pins, 1x grey 1x2 Technic pin with a hole, 1x grey 1x2 Technic pin with a hole, and 1x yellow 1x4 Technic beam.
